PUBLIC MEETING

Southern California Edison Combined Alhambra Facility

Area of Concern 2

The Department of Toxic Substances Control (DTSC) will hold a public meeting to update the community on activities at the Southern California Edison Combined Alhambra Facility, Area of Concern 2 site. The meeting will take place on Tuesday, February 26, 2002 at Northrop Elementary School, 409 Atlantic Avenue, Alhambra, California 91802 from 6:00 p.m. until 8:00 p.m.

DTSC will provide a brief project overview presentation at the beginning of the meeting. The remainder of the meeting will be devoted to addressing community questions.

If you have any questions about this public meeting, please contact Ms. Nelson at (916) 255-3575.

Si usted desea recibir esta invitación en español, favor de llamar al teléfono (916) 255-3575.
